## How to Print the Coloring Book

The words and pictures are arranged in an order for you to print the pages front-to-back, fold down the middle, and then assemble as a booklet. Here is how to print the pages double-sided:

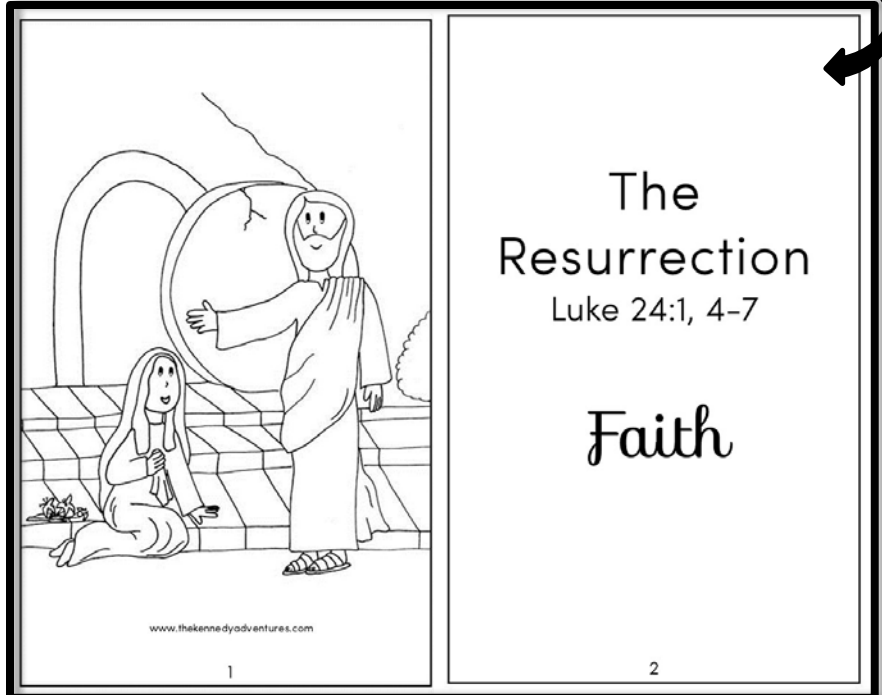

1. Click "Print".
2. Click "Properties".
3. Select "Two-sided (Duplex) Printing" and follow any directions your printer may have for two-sided printing. Click "Ok" to print.\*

\*It may print the odd number pages first, then ask you to reinsert the pages back into the printer to print the remaining even number pages.

If you would prefer to print the pages manually, simply print the pages front-to-back in order that they appear in the file, beginning with the cover page.
