

## Sponsor/Candidate Discussion Questions

*These questions are designed to be a starting point for sharing your faith with your Confirmation Candidate but also for them to share their faith journey with you. It is our hope that these questions will help you guide your Confirmation Candidate in their faith journey and provide opportunities for you to share how they can live their faith in their daily lives and in their activities.*

- Share an occurrence from the past 24 hours in which you recognize the Holy Spirit's presence.
- Recall your own Confirmation (or tell about your anticipation for Confirmation).
